I'm proud to say that I haven't earned a single cent doing this scanlation. In my opinion only the author and the publishers deserve to do that. But I can find my work on online-readers like mangafox or batoto, that earn a lot of money with what they do. Which is made even worse by the fact that us scanlators get harassed by the publishers, while these people go seemingly untouched. Not to mention that none of these online readers even had the decency to ask permission to display my work.

Please do not upload this scanlation to any online-reader whatsoever. Only Batoto is allowed to display it.

Editors rant

Volume 9 is afoot. By the end we'll be in the beginning of the Piccolo saga.

I cheated a bit on the white page with the art from the cover on it (the same one behind this text). I was to lazy to smudge over it a second time, to even out the colors and blend the tones, after having done it on the cover page already. I figured it was easier to take out everything else and create the same picture, than clean it a second time. Due to it sitting on a white background, you might see traces of the original red background from the cover here and there. But honestly how many seconds does a reader spend looking at the page. I'd skip over it in under a second.

Well, there you have it. Took a long time. For the past few years I really dialed back other hobbies I have. Someone gave me a modified xbox 360 with a few burnt games. But I couldn't get games I downloaded and burned to work. I bought Assassins Creed, Gta 4 & Mirrors Edge because of that, but never really played the latter two. I only played some PES 08 here and there. The same goes for PC games. When the old xbox crashed I got myself a new one months after that. That one has xk3y, which means I can copy iso files on a hd and play them that way. So far every game I got worked. And I started doing a little more of gaming, since I don't wanna put it on the backburner till Db is done. Maybe it was a bit more during this chapter because you need to get away from it more. You work and work on a picture but progress is slow. So I enjoy playing PES 12, Gta and Assassins Creed 2.

SOME JERRY-RIGGED KAMEHAMEHA WON'T BE ANY MATCH FOR A DODON-PA!!

#125: Son Gokū Versus Kuririn!!

YEAH! SAME GOES FOR YOU!
わー
わー
わー

WHAT IS THE MEANING OF THIS ?
HM?

THERE WE GO.

WHY WOULD MUTEN-RŌSHI OF ALL PEOPLE GO THROUGH THE TROUBLE OF DIS-GUISING HIMSELF TO ENTER SOME TOURNAMENT?

WHY, IT'S SIMPLE.

IT'S FOR MY PUPILS.
IT LOOKED LIKE ONE OF THEM MUST ACTUALLY WIN THE TENKA-ICHI BUDŌ-KAI.

THEY'D BE THRILLED, THINKING THEY WERE THE STRONGEST IN THE WORLD! AND THEN THEY'D LOSE ALL FURTHER AMBITION...
YOUNG PEOPLE OFTEN FALL INTO THAT TRAP ...

I SEE .....
NOW I UNDERSTAND .....

AT THAT RATE, EVEN IF WE HAD FOUGHT I STILL WOULD HAVE WON ....
HOW-EVER

ONCE YOU LEARNED HOW EXTREMELY STRONG I AM, YOU REALIZED IT WOULD BE IMPOSSIBLE FOR YOUR PUPILS TO WIN...
SO YOU WERE ABLE TO REST EASY AND LOSE TO ME ON PURPOSE.

THAT'S NOT QUITE RIGHT.
WHAT ?

PLEASE BEGIN MATCH 6!!

IT'S BECAUSE I REALIZED MY PUPILS AREN'T FOOLISH ENOUGH TO GET SPOILED SIMPLY BECAUSE THEY WON THIS TOURNA-MENT.
SO I CAN REST EASY AND NOT BOTHER WITH THIS ANYMORE.

.....
.....

OH, YOU'RE NO FOOL EITHER OF COURSE. IT DOESN'T LOOK LIKE YOU'VE MANAGED TO BECOME TRULY EVIL YET.
WHA-WHAT WAS THAT !?

OTHERWISE YOU WOULDN'T BOTHER COMING TO ASK ME ABOUT ALL THIS...
KEH!! FOR YOUR INFORMATION, MY GOAL IS TO BECOME THE GREATEST ASSASSIN IN THE WORLD, JUST LIKE TAO BAIBAI-SAN!!

AH
RIGHT, RIGHT.

BUT YOU MIGHT BE RIGHT ABOUT ONE THING...
EVEN IF I HAD GONE ON FIGHTING LIKE THAT, I SUPPOSE I WOULD HAVE LOST

I'LL WATCH THE FIGHTS FROM THE AUDIENCE.

Editors rant

Not really a rant, as it happens sometimes. The reason is that the rant is on the website. Why write it twice? Also there you can get some insight into the makings of this scanlation. Namely an easy comparison of some pages of the befor and after. What I can say about this chapter: There are a few nice Ten panels, I guess. There's not too many of those in the series. But more importantly, next chapter really is the Kikoholl

I'VE BETRAYED MY MASTER...BUT SOMEHOW I FEEL SO FREE! IT'S NO LONGER A MATTER OF TSURU, OR KAME, OR TAKING REVENGE!

Editor's rant

The tournament is over. And we're already set for the next story-line. Pretty much no fillers, unlike the anime. Work is fucking killing me. Doing 10-12 hours a day leaves little time for anything else, let alone what I try to do with this project. Also, I cut off part of my left fingertip on my left thumb. WTF!!!

I'm proud to say that I haven't earned a single cent doing this scanlation. In my opinion only the author and the publishers deserve to do that. But I can find my work on online-readers like mangafox or batoto that earn a lot of money with what they do. Which is made even worse by the fact that us scanlators get harassed by the publishers, while these people go seemingly untouched. Not to mention that none of these online readers even had the decency to ask permission to display my work.

Please do not upload this scanlation to any online-reader whatsoever. Only Batoto is allowed to display it.

Like in the previous volumes these are mostly chapter pages that were not put before the chapters. I took out the chapter titles and made them artwork like the rest of the pages.
